2011

## EXPERIENCE

### TBH Global

Seoul, South Korea

Textile Designer / R&D Department

2013 to 2016

*Researched and analyzed upcoming season's textile trends. Proposed the most appropriate fabric selections for each season's concept for brand teams. Led pattern design and developed textile samples for garments based on design knowledge.*

### Shinsegae International

Seoul, South Korea

Textile Designer / Design Department

2011 to 2013

*Carried out market research and analysed textile trends. Collaboratively worked with senior designers on textile design. Effectively communicated with designers, brand managers and suppliers throughout the design process.*
